Happy First Birthday

MOJAG is officially one year old! Let's celebrate all of our achievements in 2024!

- We hosted workshops with Liisa Turunen & Melissa Shippee.
- We visited the Columbus Ronald McDonald House twice, worked with a group of Girl Scouts, and did a craft event at the Ohio Craft Museum.
- We had a successful booth at Winterfair where our members were able to sell their handmade jewelry art.
- We went from 12 members in January to 28 members by December.
- We made and sold Melissa Shippee's angel earrings to benefit the Colin Farrell Foundation.
